Sir,

Sub: Security deposit-payment in the shape of National Savings certificates-Forms of execution of Bond.

A question has been raised as to the form of Bond that should be executed by Government servants while furnishing security in the shape of National Savings certificate. The Accountant-General, Madras, who was consulted in the matter states that Form No.3 of Madras Financial Code Form No.19 would appear to be suitable and that the specific orders of Government may be obtained in the matter.

2. It is, therefore, requested that Government will be pleased to issue necessary orders for adopting the above form while bonds are executed by Government servants paying security in the shape of National Savings certificates. A copy of letter received from the Accountant-General is enclosed for the information of Government.

Your obedient servant,
